

### CAPPUCCINO

Amanda Paul

**8-Week Course: £72**

**Friday afternoons 1-3 pm, 13 Jan - 23 Mar excluding 27 Jan, 17 & 24 Feb**

Use ten different folded techniques to create this small but perfectly formed quilt enhanced by subtle colours (although you could go bold of course!) and the 3-dimensional finish. Lots of fun for those who love working by hand!

**Experience** - some basic quilting experience useful but not essential

**Materials** - list provided on booking. Entirely hand-sewn

### NOT SO MUCH A CUSHION ... AS A WORK OF ART!

Chris Range

**1-Day Workshop, £40 (including lunch)**

**Sat 4 Feb, 10 am - 4 pm**

Create a work of art in this simple-to-make patchwork cushion of simple strips arranged around a central 'conversation piece' motif-style fabric. The style is yours to choose - funky, arty, classical, country, oriental, seasonal ... anything to suit your décor or to make as a gift. You'll make the complete cushion on the day, including backing. This is a great 'taster' project if you're thinking about trying out patchwork and quilting.

**Experience** - for complete beginners, a great introduction to patchwork

**Materials** - list provided on booking. Sewing machine ideal for speed, but can be hand-sewn

### MY FLOWER BED QUILT / CUSHION

Gail Penberthy

**1-Day Workshop, £40 (including lunch)**

**Sat 18 Feb, 10 am - 4 pm**

If you haven't already tried sewing with fleece come along and have a fun day making this quilt. Have a break from your traditional quilting and try something new, a lovely day learning the technique of reverse piecing to achieve a snugly soft fringed quilt. We'll spend the day exploring the different methods of appliqué and embellishing for the squares, and how to assemble the quilt. Full pattern and instructions, given on the day for quilt and cushion. Once you start to work with fleece you won't be able to stop!

**Experience** - all levels, including beginners

**Materials** - list provided on booking. Sewing machine required

### LEARN TO LOVE YOUR SEWING MACHINE!

Jenny Le Crossette

**Half-day workshop, £20**

**Wed 22 Feb, 10 am - 1 pm**

Frustrated by loopy stitches? Terrified of fiddling with the tension button? Daunted by the array of feet that came with your machine? This workshop is for you! Expert Jenny will help you to truly love your machine! You'll learn to set tensions for different stitches to get a perfect finish, what needle and foot to use for different tasks, troubleshoot problems and much more. An invaluable session! **NB We advise booking early for this class - it normally gets full up very quickly!**

**Experience** - none required at all!

**Materials** - own sewing machine (with the manual if you still have it!) together with any attachments, threaded with polyester ('sew-all' thread), notepad and pen. We'll provide fabric for you.
